

Dear Sir,

I would like to thank CBS for their professionalism in regard to taking care of our copy and printing needs. I have found that the personnel that we have dealt with have been both courteous and knowledgeable. I would like to point out that it was obvious that Jim Parker was concerned about making our ministry successful and strived to keep the cost in line with what we were able to spend. My thanks to the staff in this organization and we will continue to seek your services when the need arises.

Sincerely,

Clay Perkins,

Vice President,
